DETAILED ACTION

This office action is in response to the notice of allowance mailed April 6, 2006.

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

- Non-initialed and/or non-dated alterations have been made to the oath or declaration. See 37 CFR 1.52(c). Name of first inventor has been lined through and amended without the alteration being initialed and dated.
- The full name of each inventor (family name and at least one given name together with any initial) has not been set forth. The **printed** name of the second inventor (Jhi-Cherng Lu) is different from the **signed** name of the second inventor (Chih-Cheng Lu).

Applicant is now required to submit a substitute declaration or oath to correct the deficiencies set forth above.
